

S  **FELOAD**™

**BUILT
AFRICA
TOUGH**

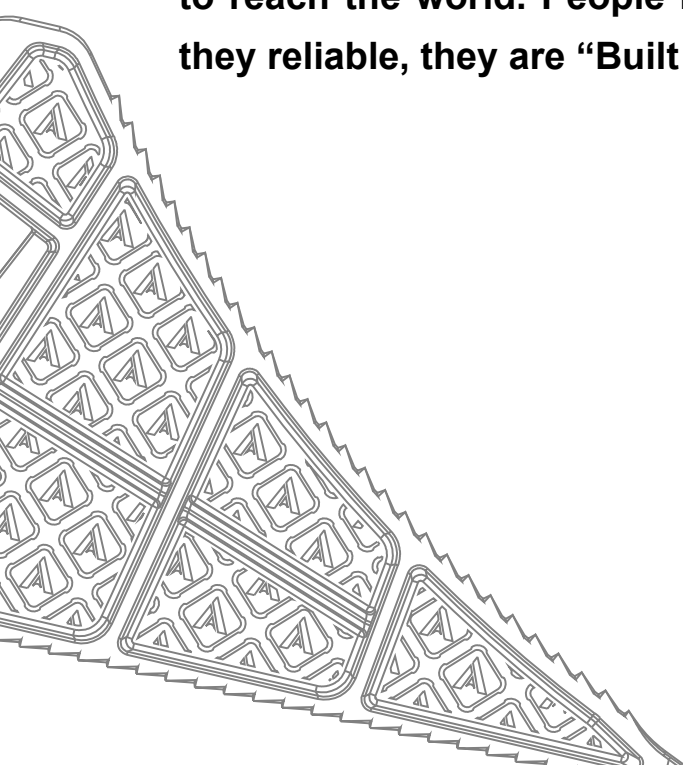

WHY US

As a global market leader in the development of high-quality safety products, we value and recognise changing needs and are constantly innovating, designing and manufacturing new products for the trucking and industrial sectors as well as the DIY enthusiasts, hobbyists, adventurers & tradesmen. Always with safety in mind.

As a brand of PIMMS Group, and having offices in the USA, Canada, UK and South Africa, we have access to leading industrial designers, engineers, tooling specialists and injection moulders. This ensures that the highest quality standards are always met and our innovative products always improve the lives of people.

Founded in South Africa in 2001, we partner with distributors globally to reach the world. People love our products because not only are they reliable, they are “Built Africa Tough”!
